

WINGS Seminar: Flying the Back Country

The New Mexico Pilots Association has been promoting back country flying and working to improve and open more airstrips. Larry Filener, chair of the NMPA Recreational Aviation Committee (NMRAC) and the New Mexico liaison for the Recreational Aviation Foundation (RAF) will provide an update on progress, resources available, and safety aspects for accessing these airstrips.

Directions: APD Hangar is on the Northwest corner of the main ramp. See Land of Enchantment Fly In map: <http://www.loefi.org/Events.html>

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
